Attention is drawn to the fact that the cash flow figures for the corresponding six months period ended September 30, 2018 have been approved by the Company's Board of Directors, but have not been subjected to audit or review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS-34, "Interim Financial Reporting" prescribed u/s 133 of the Companies Act, 2013 (as amended) read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE 2410) "Review of Interim financial information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to enquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly. We do not express an audit opinion.
4. Based on our review conducted as above , nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the applicable Accounting Standards i.e. India Accounting Standards ('Ind AS') prescribed u/s 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognised accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Review Report on Unaudited Quarterly and six months ended Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended)

To
The Board of Directors of RSWM Limited

1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of RSWM Limited (herein after referred to as "the company"), and its share of net profit/(loss) after tax and total comprehensive income/(loss) of its associates for the quarter and half year ended 30th September, 2019 (the "Statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("the Listing Regulations"). Attention is drawn to the fact that the consolidated figures for the corresponding quarter and half year ended 30th September 2018 as reported in the statement have been approved by the company's Board of Directors, but have not been subjected to audit or review.
2. This Statement, which is the responsibility of the company's Management and approved by the company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. The Statement includes the results of the following associates:
 - a) Bhilwara Energy Limited (BEL)
 - b) LNJ Skills & Rozgar Private Limited (LNJ SKILLS)
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, and based on the consideration of the review reports of other auditors, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian accounting standard and other accounting principles generally accepted in India, has not disclosed the information

required to be disclosed in terms of the Regulation 33 read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Material Uncertainty Related to Going Concern

In case of Chango Yangthang Hydro Power Limited (CYHPL), a subsidiary of an associate “Bhilwara Energy Limited (BEL)”, as stated in Note No. 47 ii) b) of the consolidated Financial Statements for the year ended 31st March 2019 of the company, the board of directors of CYHPL decision to surrender the Chango Yangthang HEP (180 MW) project to Directorate of Energy, Government of Himachal Pradesh due to delay and uncertainty in project execution/long delay in Government approvals and licenses lapse. As CYHPL was incorporated as Special Purpose Vehicle (SPV) and capital work in progress of ₹ 27.13 Crores was also written off in earlier year, hence these events/conditions indicate that there exists material uncertainty that may cast significant doubt on ability to continue as a going concern. This matter was reported under heading “Material uncertainty relating to Going Concern” in the review report on consolidated financial results of an associate (BEL).

Our conclusion is not modified in respect of this matter.

7. Emphasis of matter:

Attention is drawn to:

- a) In case of Chango Yangthang Hydro Power Limited (CYHPL), a subsidiary of an associate (BEL), as stated in Note No 47 ii) b) of the consolidated financial statements for the year ended 31st March 2019 regarding pending refund of upfront premium of INR 37.89 Crores and security deposit of INR 1.80 Crores (Company indirect share of INR 3.01 crores) with interest from the Directorate of Energy, Government of Himachal Pradesh, where the management of CYHPL is confident of recovering the upfront premium and security deposit.
- b) In case of Malana Power Company Limited (MPCL), a subsidiary of an associate the below matters which describes the uncertainty relating to the effects of outcome of litigation with Himachal Pradesh State Electricity Board (HPSEBL)
 - (i) MPCL has received provisional net demand of INR 80.69 crores (Company indirect share of ₹ 3.11 crores as Company indirect shareholding is 3.86% in MPCL) in relation to wheeling charges for the period April 1, 2008 to March 31, 2019 from Himachal Pradesh State Electricity Board Limited (HPSEBL) based on an order passed by the Himachal Pradesh Electricity Regulatory Commission (HPERC), which is not in accordance with the agreement entered between the MPCL and HPSEB (now HPSEBL) in August 1999. Based on the legal opinion obtained, the MPCL is of the view that demand is not legally tenable and would not result in any material liability on the MPCL and accordingly has filed an appeal before Appellate Tribunal for Electricity at New Delhi.
 - (ii) The Central Electricity Regulatory Commission (CERC) has passed an Order dated October 17, 2019 on the A.D. Hydro Power Limited (ADHPL) ('subsidiary company of MPCL') in which CERC has approved the capital cost of the dedicated transmission line of the ADHPL amounting to INR 238.92 Crores as against the capital cost submitted by the Company amounting to INR 416.61 Crores [on the date of COD / INR 452.84 Crores (including

additional capitalisation)] and accordingly determined the annual fixed costs for the purpose of computing tariff for using transmission line for the period 2011-12 to 2018-19, subsequent to quarter and six months ended September 30, 2019.

The management of ADHPL is of the view that the method used to determine the capital cost by the CERC was not in accordance with the provisions of Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, for the period 2009-14 and 2014-19 and Electricity Act, 2003. Pending litigation and final outcome towards determination of tariff for using transmission line, the management of ADHPL, based on the legal opinion, is of the view that the Order is not legally tenable and would not have any material liability on the ADHPL, further ADHPL is in the process of filing an appeal with the appropriate authority and accordingly trade receivable aggregating to INR 31.13 Crores is good and fully recoverable and no provision is required in respect of possible exposure aggregating to INR 65.36 Crores towards amount already collected from the customer till September 30, 2019 (Company's indirect shareholding is 3.39% in ADHPL).

- c) In case of BG Wind Power Limited (BGWPL), a subsidiary of an associate (BEL) where the Power Purchase Agreement (PPA) with DISCOM has expired dated March 31, 2019. BGWPL is pursuing for Power Purchase Agreement (PPA) with DISCOM @ INR 3.14 per kwh vide RERC third amendment regulation dated 5th March 2019 for the entire duration of the project because PPA validity expired on 31 March, 2019 but the DISCOM has not signed the PPA even after the BGWPL had filed a petition with RERC. BGWPL has continued to recognise Revenue from Sale of Power of INR 2.25 Crores and Generation Based Incentive (GBI) of INR 0.36 Crores and shown under Unbilled Revenue as the Management of the BGWPL believes that PPA will be signed. BGWPL has filed writ petition with Rajasthan High Court, Jaipur in this regard.

- d) In case of NJC Hydro Power Limited (NHPL), a subsidiary of an associate (BEL) :

- i) Uncertainty relating to the effects of outcome of petition filed with District court of Itanagar, Arunachal Pradesh. The associate had filed a petition under section 9 of Arbitration Act in District Court for immediate relief to maintain the status quo against the instant notice issued by Government of Arunachal Pradesh (GoAP) for termination of the Project on March 22, 2019 invoking its right to take over the project on "AS IS WHERE IS BASIS" and allotting the same to third party.

District court passed the order admitting the petition and maintaining the "STATUS QUO" on the project and has also suspended the termination notice issued by GoAP. The next date for final hearing is on 13th December 2019.

- ii) As stated in Note No 47 ii) c) of the consolidated financial statements for the year ended 31st March, 2019 regarding the viability of the Nyamjang Chhu HEP Power Project is dependent on the outcome of the report of Wildlife Institute of India, Dehradun. The auditor of associate (BEL) reported in their consolidated review Report that they are unable to comment on the financial implications and the future operations of the NHPL till outcome of report of Wildlife Institute of India, Dehradun is shared by Ministry of Environment and Forests (MoEF & CC)/ National Green Tribunal (NGT) to the NHPL.

The above Emphasis of matters were reported in the review report of consolidated financial results of an associate (BEL). Our conclusion is not modified in respect of above matters.
