

It is the yarns that impart an elegant fluid drape that flows with the body.

Blends, designed to accentuate the curves and dawn on the body with dresses that are urbane, casual, suave and indelible on skin and memory.

Ultra-soft fibres, like Miyabi, micromodal that render the fabric a tactile ecstasy and lustrous appearance.

RSWM EDGE™ Luxe, a range of yarns with premium quality feel and dyeing properties for clothes that feel like a dream, flow like cream and hug the body in a graceful embrace.

“*Lustrous smooth blends, luxuriously draping and hugging the body in a graceful embrace, for an indelible experience.*”
